

Options For Everyone.

ePay

eWage

What it is...

Online payments via your bank account from the privacy of your own home. Can be set up on a recurring schedule or as one-time payments.

Walk-in retail option that accepts cash payments and is available nationwide at over 39,000 locations, including Walmart and CVS.

Automated deductions straight from your paycheck that also protects your privacy. There is no indication to your employer that you are in bankruptcy.

When to use it...

You have a checking/savings account and are looking for a more convenient and cost-effective way to make your plan payments.

You are looking to make your plan payment with cash, or you need immediate proof that a payment has been made and is on the way to the trustee.

You have a regular paycheck with direct deposit, and want to eliminate overdraft concerns without notifying your employer of your Chapter 13.
